

Moisturizes & Soothes the Skin Prevents Itching & Repels Flies

A unique cream, formulated with essential oil extracts for immediate relief of dry, cracked, red, and irritated skin in horses and animals. This powerful blend soothes skin irritation, promotes rapid rejuvenation, and addresses wounds, scratches, itching, dryness, and flaking. Made from 100% natural ingredients, it encourages skin regeneration and natural hair growth without any chemicals.

Active Ingredients:

Pure Shea Butter: *Natural Care for Equine Skin*

Nourish your horse's skin with pure shea butter, rich in vitamins and antioxidants.

Benefits:

- Deeply moisturizes dry skin
- Soothes irritation
